Pitch Count Legend		<ul style="list-style-type: none"> • A player cannot pitch in two games in a day. • Pitchers once removed from the mound may not return as pitcher in the same game. • NOTE: A pitcher who delivers 41 or more pitches in a game cannot play the position of catcher for the remainder of that day. • A pitcher must be removed when said pitcher reaches the limit for his/her age group, but the pitcher may remain in the game in another position. • Any player, who has played the position of catcher in four (4) or more innings in a game, is not eligible to pitch on that calendar day.
